ABOUT ME

Hello, I'm Steph

Mum of two, proud wig wearer (due to alopecia), a lover of dry rosé, and a self-confessed reading geek. You'll either find me working hard, or dreaming about my next travel adventure. My own journey has given me a real appreciation for confidence, individuality and how important it is to feel comfortable in your own skin. My approach to makeup is centred around **enhancing natural beauty** and helping my clients feel **confident, radiant** and truly themselves on their wedding day.

I am a fully certified bridal and occasion makeup artist with over 10 years of experience within the industry. Based in the North West UK, I cover the Lake District and travel further afield for weddings & special occasions. I pride myself on providing a calm, professional and luxury experience,

ensuring you feel relaxed, confident and cared for throughout your bridal journey and on the morning of your wedding.

If you are looking for an experienced, professional and approachable bridal makeup artist to be part of your wedding day, then I would love to hear from you, and discuss further.

BRIDAL PREVIEW APPOINTMENTS

If you choose not to include a bridal preview as part of your package, a preview appointment can be booked separately.

Alternatively, you may choose to book an additional bridal preview if you would like extra time to further refine your wedding day look. These can be booked for the bride, or other members of the bridal party.

TRAVEL & COVERAGE

Based in Lancashire, I cover the North West, the Lake District and Cumbria. Travel beyond a 10-mile radius is charged at 50p per mile and added to your final balance.

SECOND ARTISTS

For larger bridal parties, a second makeup artist may be required to ensure your wedding morning runs smoothly. I work alongside a trusted network of talented makeup artists, with additional artists sourced and booked on your behalf for an administration fee of £25.

THE BOOKING PROCESS

Enquire & discover

Get in touch via my website, social media or email to discuss your wedding plans. This is a chance for us to connect, and for me to share full pricing and package details.

Secure your Date

Once you're happy to proceed, I'll send over a bridal agreement for you to review, complete and sign.

This ensures clarity, commitment and peace of mind for both of us ahead of your wedding day.

Confirm & Prepare

Following receipt of your signed agreement and a 30% deposit, your booking will be secured in my online system. You'll receive a confirmation email along with an online consultation form to complete.

WHAT HAPPENS AFTER BOOKING?

Once your booking is confirmed, you'll receive an online consultation form to complete in due course. This helps me gather all the key details and ensures your makeup is tailored perfectly to you and your wedding plans.

If your package includes a preview or you have chosen to book one, I recommend scheduling your preview appointment 8-10 weeks prior to your wedding date. I encourage you to bring inspiration images and any relevant details, so together we can create a look that feels timeless, confident and completely you.

WHAT IS A BRIDAL PREVIEW & DO I NEED ONE?

A bridal preview is a dedicated appointment where we design and refine your wedding day makeup ahead of your big day. Rather than a "trial", it's a calm, collaborative planning experience focused on creating a look that feels timeless, comfortable and completely you. I use the term bridal preview because this appointment is about preparation and confidence, not testing. It allows us to explore your vision and plan every detail in advance.

While optional, many brides find a bridal preview invaluable, particularly if you feel nervous about having your makeup done or don't usually wear much makeup.

DESTINATION WEDDINGS

SM

I am available for destination weddings both within the UK and abroad, and have experience working with couples celebrating further afield. For destination bookings, all travel and accommodation must be covered as part of your bridal package to ensure a seamless and stress-free experience.

Whether you're planning an intimate UK getaway or an overseas celebration, each destination booking is approached with the same level of care, organisation and attention to detail as a local wedding. Travel arrangements, timings and logistics are carefully considered in advance to ensure your wedding morning runs smoothly.

If you're considering a destination wedding, please get in touch to arrange a consultation or request a direct quotation. I'll be happy to discuss your plans in detail and provide a bespoke quote tailored to your location, schedule and bridal requirements.

TESTIMONIALS

STEPH IS AN ABSOLUTELY AMAZING AND VERY TALENTED MUA. THERE WAS NO ONE ELSE I HAVE WANTED TO DO MY MAKEUP ON MY WEDDING DAY. THANK YOU SO MUCH FOR MAKING ME FEEL SO BEAUTIFUL AND SPECIAL.
